

DETAILED SYLLABUS

Module 01 : User Interface and Company Management

- Section 01 : Introduction to Tally ERP9
- Section 02 : Installing Tally ERP9 License Server
- Section 03 : Creating a Company
- Section 04 : Data Path for Tally ERP9 Companies
- Section 05 : Altering and Deleting Company
- Section 06 : Gateway of Tally and User Interface

Module 02 : Masters –

Ledgers

- Section 01 : Understanding Ledgers
- Section 02 : Creating Ledgers
- Section 03 : Creating Multiple Ledgers
- Section 04 : Altering and Deleting Ledgers
- Section 05 : Practical Examples

Module 3 : Masters –

Groups

- Section 01 : Understanding Groups
- Section 02 : Creating Groups
- Section 03 : Altering and Deleting Groups
- Section 04 : Practical Examples

Module 4 : Masters –Bill wise Debtors and Creditors

Ledgers

- Section 01 : Using Practice Files
- Section 02 : Configuring Bill wise Details
- Section 03 : Examples on Creating Bill wise Ledgers

Module 5 : Payment Voucher

- Section 01 : Understanding Default Vouchers
- Section 02 : Payment in Single Entry Mode (Examples)
- Section 03 : Payment in Double Entry Mode (Examples)

Module 6 : Day Book

- Section 01 : Understanding Day Book Reports
- Section 02 : Altering and Deleting Transactions

Module 7 : Pre-Allocation of Bills

- Section 01 : Pre-Allocation of Bills
- Section 02 : Practical Examples

Module 8 : Receipt Voucher

- Section 01 : Understanding Receipt Vouchers
- Section 02 : Practical Examples

Module 9 :Contra and Journal Voucher

- Section 01 : Understanding Contra for Banking
- Section 02 : Practical Examples on Contra Vouchers
- Section 03 : Practical Examples on Journal Vouchers

Module 10 : Cheque Printing

- Section 01 : CTS Cheque Printing System

- Section 02 : Practical Examples

Module 11 :Masters : Inventory

- Section 01 : Understanding Inventory
- Section 02 : Integrating Accounts and Inventory
- Section 03 : Practical on Stock Group
- Section 04 : Practical on Godown and Locations
- Section 05 : Practical on Stock Category
- Section 06 : Practical on Units of Measure
- Section 07 : Practical on Stock Items
- Section 08 : Manual Stock Valuation without Inventory

Module 12 : Value Added Tax (VAT)

- Section 01 : Understanding Value Added Tax
- Section 02 : Practical -Creating Purchase Masters
- Section 03 : Practical -Creating Input Tax Masters
- Section 04 : Practical -Creating Sales Masters
- Section 05 : Practical -Creating Output Tax Masters
- Section 06 : Practical on Units of Measure

Module 13 : Purchase Voucher with VAT

- Section 01 : Practical on Purchase in Single VAT Class
- Section 02 : Practical on Purchase in Multi VAT Class
- Section 03 : Practical on Purchase in Voucher Mode

Module 14 : Sales Voucher with VAT

- Section 01 : Practical on Sales Voucher
- Section 02 : Tax Invoice
- Section 03 : Practical on Tax Invoice
- Section 04 : Printing Sales Invoice

Module 15 : VAT Reports and Payments

- Section 01 : Calculating VAT Payable
- Section 02 : VAT Tax Ledger Balances
- Section 03 : Practical on VAT Payment
- Section 04 : VAT Reports

Module 15 .GOODS AND SERVICE TAX (GST)

- Section 01 : Create Company and Activate GST in Company Level
- Section 02 : Creating Master and Set GST Rates
- Section 03 : Creating Tax Ledgers
- Section 04 : Transferring Tax Credits of VAT
- Section 05 : Excise and Service Tax to GST
- Section 06 : Recording GST Sales and Printing Invoices
- Section 07 : Recording GST Interstate Sales and Printing Invoices
- Section 08 : Recording an Advance to Supplier under GST
- Section 09 : Recording GST Local Purchase
- Section 10 : Recording GST Interstate

Module 16 : Billing Features

- Section 01 : Zero Valued Entries

Section 02 : Different Billing and Actual Quantity

Section 03 : Additional Cost of Purchase

Section 04 : Discount Column on Invoices

Module 17 : Purchase Order Processing

Section 01 : Purchase Order Process

Section 02 : Purchase Order Voucher with Examples

Section 03 : Receipt Note (Inventory) with Examples

Section 04 : Rejection-Out Voucher with Examples

Module 18 : Sales Order Processing

Section 01 : Sales Order Process

Section 02 : Sales Order Voucher with Examples

Section 03 : Delivery Note (Inventory) with Examples

Section 04 : Rejection-IN Voucher with Examples

Module 19 : Debit and Credit Notes

Section 01 : Debit Note Returns with Examples

Section 02 : Credit Note Returns with Examples

Module 20 : Bank Reconciliation

Section 01 : Understanding BRS Process

Section 02 : Practical Examples

Module 21 : Price List

Section 01 : Price Listing Masters

Section 02 : Practical Examples

Module 22 : Credit Limit

Section 01 : Credit Limits for Customers

Section 02 : Practical Examples

Module 23 : Stock Transfers

Section 01 : Understanding Stock Transfers

Section 02 : Practical Examples

Module 24 : Manufacturing Vouchers

Section 01 : Bills of Materials

Section 02 : Practical Examples

Section 03 : Job Costing and Examples

Module 25 : Batch Wise Details

Section 01 : Understanding Inventory Batches

Section 02 : Practical Examples

Module 26 : Re-Order Level

Section 01 : Understanding ROL

Section 02 : Practical Examples

Module 27 : Interest Calculations (Auto Mode)

Section 01 : Activating Interest Calculations

Section 02 : Practical Examples

Module 28 : Voucher Types and Class

Section 01 : Voucher Types and Masters

Section 02 : Practical Examples

Section 03 : Voucher Class and Masters

Section 04 : Practical Examples

Module 29 : Point of Sales

Section 01 : Understanding POS

Section 02 : Practical Examples

Module 30 : Scenarios and Optional Vouchers

Section 01 : Scenario Management

Section 02 : Practical Examples of Optional Vouchers

Section 03 : Scenario Reporting

Module 31 : Budgets and Controls

Section 01 : Budget Masters and Configurations

Section 02 : Practical Examples

Section 03 : Budget Reporting and Analysis

Module 32 : Cost Centers and Cost Categories

Section 01 : Understanding Cost Centers

Section 02 : Practical Examples

Section 03 : Understanding Profit Centers

Section 04 : Practical Examples

Module 33 : Party Ledger Analysis

Section 01 : Customer and Supplier Balance Checking

Section 02 : Customer and Supplier Bill Wise Checking

Section 03 : Overdue Payables and Receivables

Section 04 : Outstanding Reports and Printing

Section 05 : Confirmation of Accounts

Section 06 : Negative Ledgers Report

Module 34 : Purchase and Sales Reporting

Section 01 : Analyzing Purchase and Sales Register

Section 02 : Analyzing Debit and Credit Note

Section 03 : Overdue Payables and Receivables

Section 04 : Outstanding Reports and Printing

Module 35 : Stock Analysis and Reports

Section 01 : Stock Registers

Section 02 : Stock Valuation

Section 03 : Stock Transfer Report

Section 04 : Negative Stock Report

Section 05 : Record Physical Stock and Shortage

Section 07 : Stock Entry without Perpetual Inventory

Module 36 : Cash and Bank Reports

Section 01 : Cash Book and Bank Book

Section 02 : Stock Transfer Report

Section 03 : Negative Stock Report

Module 37 : Search, Filter and Sorting

Section 01 : Searching and Finding particular entries

Section 02 : Sorting with Alias, Numbers and Texts

Section 03 : List of Ledgers and Groups

Module 38 : Financial Reports

Section 01 : Trial Balance

Section 02 : Profit and Loss Account

Section 03 : Balance Sheet

Section 04 : Working Capital

Section 05 : Cash Flow and Fund Flow Statements

Module 39 : Multi Language

Section 01 : Practical on Multi-Language

Module 40 : Export, Import, Backup and Restore

Section 01 : Export and Import Formats

Section 02 : Practical Examples

Section 03 : Data Backup and Restore

Module 41 : Central Sales Tax (CST)

Section 01 : Understanding CST and Forms

Section 02 : Creating CST Masters

Section 03 : Practical Examples

Section 04 : CST Reports

Module 42 : Service Tax

Section 01 : Understanding Service Tax

Section 02 : Creating Service Tax Masters

Section 03 : Examples on Service Income and Expense

Section 04 : Service Tax (Input) Adjustments

Section 05 : Tax Reports

Module 43 : Tax Deducted at Source (TDS)

Section 01 : Understanding TDS

Section 02 : Creating TDS Masters

Section 03 : Practical Examples

Section 04 : TDS Payment

Section 05 : Tax Reports and Tax Forms

Module 44 : Tax Collected at Source (TCS)

Section 01 : Understanding TCS

Section 02 : Creating TCS Masters

Section 03 : Practical Examples

Section 04 : TCS Payment

Section 05 : Tax Reports and Tax Forms

Module 45 : Central Excise

Section 01 : Understanding Excise Duty

Section 02 : Example with Case Study

Section 03 : Creating Excise Accounting Masters

Section 04 : Creating Excise Inventory Masters

Section 05 : Excise Purchase

Section 06 : Manufacturing Entries

Section 07 : Excise Sales

Section 08 : CENVAT Credit Adjustments

Section 09 : Excise Duty Payment

Section 10 : Excise Reports and Forms

Module 46 : Payroll Accounting

Section 01 : Understanding Payroll

Section 02 : Pay Heads and Categories

Section 03 : Employee Details and Salary Details

Section 04 : Attendance Entries

Section 05 : Salary Payment Examples

Section 06 : Pay sheet and Pay Slips

Module 47 : Finalization Entries

Section 01 : Finalization Process

Section 02 : Depreciation Entries

Section 03 : Creating General Reserves

Section 04 : Provision for Taxation

Section 05 : Bad Debt Reserves

Section 06 : Partnership Firm -Transferring Profits

Section 07 : Outstanding Expenses and Accrued Income

Section 08 : Changing Financial Year

Module 48 : Data Security

Section 01 : Security Control Setup

Section 02 : User Security Control

Module 49 : Tally Audit

Section 01 : Understanding Tally Audit

Section 02 : Auditing Ledgers and Vouchers

Module 50 : Tally Synchronization

Section 01 : Configurations

Section 02 : Practical on Tally Synchronization

Module 51 : Multi-Currency

Section 01 : Configuring Multiple Currencies

Section 02 : Entries for Foreign Transactions

Section 03 : Forex Gain and Loss

Module 52 : Printing Reports

Section 01 : Sales Invoice

Section 02 : Printing Payment and Receipt Vouchers

Section 03 : Printing Various Other Reports

Module 53 : Miscellaneous

Section 01 : Inserting Vouchers

Section 02 : Duplicating Entries

Section 03 : Split Company Data

Section 04 : Merge Tally Companies

Module 54 : Shortcut Keys

-----*****-----
